## DMV REGISTRATION FORM

To help alleviate the issues of vehicle registration suspensions from the DMV, please complete the REG 5085 form. The form must be completed on an annual basis at the time each vehicle's registration is renewed and in the event a new vehicle is purchased.

### **Registration Renewal Instructions:**

1. When the vehicle registration comes up for renewal, complete the REG 5085 form. Check off "Commercial Insurance" and then complete sections A, B and F
2. Retain a copy for your file
3. Remit form REG 5085 to the DMV **with** the registration renewal coupon and payment
4. Include a copy of your commercial auto declaration page (if you don't know which page of your policy is the declaration page, please contact us)

### **New Vehicle Instructions:**

1. In the event you purchase a new vehicle, take a copy of your commercial auto declaration page and the REG 5085 to the dealership
2. Pre-fill your insurance section of REG 5085 before going to the dealership
3. When you're completing the paperwork with the dealer, tell them to complete Section A of REG 5085; then sign the form
4. Retain a copy for your file
5. Instruct the dealership to include REG5085 and your auto declarations in the vehicle registration packet they are responsible for filing with the DMV

When the DMV receives the new vehicle registration packet from the dealer it will include the required proof of commercial insurance. We think this will certainly improve the process of reporting your existing insurance to the DMV.
